TECHNICAL SPECIFICATIONS

{Space:}

The below dimensions are optimum spaces for shows.
We have worked in many challenging spaces in the past and are generally able to adapt to available space.

Please advise on any space restrictions when booking.

Height 5.5 meters

Width 5 meters

Depth 5 meters

{Lighting:}

Absolute minimum of 6 cans and follow spot.

Access to house lights and back stage power for back stage floods (*we supply*).

{Sound:}

Microphone and Amplified Ukulele are used in the show.

We need a P.A system with C.D or MP3 capability.

{Dressing Room & Amenities:}

One large, well ventilated dressing room with access to mirror, wash basin and chairs.

This space is required to be as close as possible and with clear access to stage.

Bottled water and if call time is longer than 2 hours, healthy snacks.

{Insurance:}

The artists have \$20,000,000 AUD public and property liability insurance worldwide (excluding USA & Canada which can be arranged on request).
